Notice of Market Dominant
Price Adjustment

Docket No. R2017-1

CHAIRMAN'S INFORMATION REQUEST NO. 7

(Issued October 31, 2016)

To further clarify the Postal Service's Notice of Market Dominant Rate Adjustment in Docket No. R2017-1,¹ the Postal Service is requested to provide written responses or additional filings, when appropriate, to the following questions. Responses should be provided as soon as they are developed, but no later than November 3, 2016.

1. Please refer to the Postal Service's Notice. The Postal Service states that it plans to eliminate the permit fees for "Parcel Select (including Parcel Select Lightweight), Bound Printed Matter Parcels, Media Mail, Library Mail, Business Reply Mail (parcels), Merchandise Return Service, and Parcel Return Service." Notice at 35. However, the Postal Service's proposed MCS changes also eliminate permit fees for First-Class Package Service. Notice, Attachment A at 88. Please resolve the discrepancy and file revised workpapers if necessary.

¹ United States Postal Service Notice of Market Dominant Price Adjustment, October 12, 2016 (Notice). The Postal Service attached proposed revisions to the Mail Classification Schedule (MCS) to the Notice (Attachment A).

2. Please provide the proposed revised version of the Market Dominant price list (such as Notice 123) with the changes necessitated by the responses to the Chairman's Information Requests during the pendency of this docket.

By the Acting Chairman.
